**Eleventh Sunday in Ordinary Time**

sharing the gifts we have been given

You have probably heard that beginning in July we will no longer be having regular second collections. You will still be able to contribute to the Outreach fund, the Newman Fund, and the Building fund. Those envelopes will continue to be included in the giving envelope packets. You will simply place these envelopes in the first collection. We will announce other special collections the week before (for example - aid for a natural disaster or for a certain cause). Envelopes for such collections will be available on the long tables in the gathering space the Sunday before the planned collection. You can place them in the first collection basket, or turn them into the office at any time.

The one time we will take a second collection is when the missionary visits during the summer.

This change will take a little bit of adjusting to for some of us. Stewardship is an understanding in a spiritual way of how we live with the gifts that we have received. This is an important concept that includes understanding that the things we receive are gifts from God. Our time, our talents, and our treasure are all gifts from God, as well as the gift of life that we have been given. Let us thank the Lord for the gifts He has given us and ask Him how He wants us to use the gifts He has entrusted to us.

~ Fr. Jon
