All Saints' Day

Saint Martin de Porres
(c. 1579-1639)

St. Martin de Porres was a slave who was eventually freed. He lived in deep poverty, and worked with the Dominicans collecting money for the poor. He was known for his great love of animals. He would collect and feed the mice from the church, and put them outside telling them to not eat peoples' crops or go back into the churches.

St. Martin had a great sense of humor as well. He said that sheep knew the meaning of being charitable since they always gave their extra coats to the poor.

Let us ask the Lord to help us love Him and our neighbors in all the circumstances of our lives, and pray for that gift of joy that Saint Martin de Porres embraced.

St. Martin's Feast Day is November 3rd.
