*Second Sunday  
of Lent*

**Saint Patrick**

St. Patrick was born in England and at the age of 16 was kidnapped by pirates and sold into slavery in Ireland. He eventually escaped to France, where he was ordained a priest and then was ordained a bishop and sent to Ireland. He died on March 17<sup>th</sup> in the year 461. St. Patrick did great work and is very culturally connected to the Irish.

This year St. Patrick's Day falls on a Friday during Lent. Archbishop Hebda has given a dispensation that meat may be eaten on this day despite the usual norms of the Lenten Season.

St. Patrick was a great spiritual leader. The Prayer of St. Patrick's Breastplate is a wonderful prayer that is both substantial and powerful. There are people who pray this prayer every day. St. Patrick is for us a model of someone who in the midst of the struggles in life, continues to seek the Lord and love His people.

## St. Patrick's Day Dispensation

Friday of the second week of Lent this year corresponds with St. Patrick's Day (March 17), traditionally an occasion for joy-filled celebrations in this Archdiocese. Having consulted with the Archdiocesan Presbyteral Council and taken into consideration both past practice and present circumstances, and having judged that it would serve the common spiritual good, Archbishop Hebda has granted to the faithful of the Archdiocese of Saint Paul and Minneapolis, as well as any visitors or travelers who may be physically present within the territory of this Archdiocese, a dispensation from the obligation of abstinence from meat on March 17, 2017. Those taking advantage of the dispensation, however, are exhorted to undertake a work of charity, an exercise of piety, or an act of comparable penance on some other occasion during the Second Week of Lent.
