Year of Grace

This year we are in the Year of Grace for the Church. St. Paul would sometimes greet people with “may the Grace and Peace of our Lord Jesus Christ be with you.” Grace is a gift from God that is underserved. It helps us respond to what we are called to in life. When we respond to grace, we are open to receive more.

It is an underserved gift. Sometimes we can believe the lie that we have to do something to earn grace. The truth is that we cannot. What we can do is receive it with gratitude. To give thanks for what God gives us and to respond generously to what God gives us can make more room in us to receive more grace. The sacraments are a main channel where we receive God’s grace.

Let us ask the Lord that during this Year of Grace we would freely receive the gift He Gives us.
